

Supplementary Table 1. Information of query hypothetical protein

Query protein	Description
Definition	Hypothetical protein
Accession	WP_130598461
Version	WP_130598461.1
No. of amino acid residues	213
Locus	WP_130598461
Source databases	RefSeq and GenBank
Source organism	<i>Litorilituus sediminis</i> (Gram-negative bacteria)
